How to handle a Wolf.

SNAP-LOCK HANDLES with MULTI-CHANGE TOOLS

First the body – a sleek, tough handle (in a choice of nine lengths). The handle's snap-lock socket grips any of Wolf's multi-change tool heads as tight as a car seat belt. Just press the red button and the tool head is released. 5 year Guarantee.

Cunningly simple.

Saves space, saves money. Ideal for any task in hand.

More thought, less effort.

A Wolf is highly adaptable.

LAWN RAKE

Easy to pull, clears thatch and clippings.

FLEXI RAKE

Specially designed to avoid 'skip' and 'judder'.

SOIL RAKE

Prongs curve inwards like fingers for smooth, easy action.

PATIO BRUSH

Ideal for paths, patios and large areas.

This one is a highly efficient lawn rake. Or a lightweight, flexible rake. Or a uniquely designed soil rake. Or a tough, long-lasting patio brush. Choose whichever length Wolf Multi-change handle suits you best. Snap in your chosen tool

head, just like a car seat belt. Fifty tool heads available. 5 year Guarantee.

More thought, less effort.
